

## Mississippi Associated Builders and Contractors School Sponsorship Program

It is vital that we strengthen our partnership with the education system to ensure that children have access to information about the many different career opportunities the construction industry can offer them.

We would like to have at least one ABC member working with each high school and vocational center in the state. In volunteering to sponsor a school we ask that you make yourself available to the school to speak at career fairs and business days and to be an industry contact that the school can call on if they have questions about the industry or other functions arise. At the vocational centers we would also ask that you participate on a craft committee or advisory committee for a construction program. This will allow you to have some hands-on guidance of the program.

Are you ready to Sponsor a School or would you like more information?

Contact: [jason@msabc.net](mailto:jason@msabc.net)

COUNTY	SCHOOL	SPONSOR
ADAMS	Natchez High School	
ADAMS	Fallin Career Technology Center	
ALCORN	Biggersville High School	
ALCORN	Alcorn Central High School	
ALCORN	Kossuth High School	
ALCORN	Alcorn Vocational Technical Education Center	Kevin Harvell, ANCO Construction
